

David Mann of MR Architecture + Decor gave the interiors of the Nussbaum family duplex in Manhattan an illuminating new design. The living/dining room includes a sofa and shagreen-backed cube chairs by Furniture Masters, the latter upholstered in a Sahco velvet. Murano-glass lamps sit atop side tables by Christophe Côme from Cristina Grajales Gallery; the silk shag rugs were custom made by Stark. For details see Sources.

# SPARKLING ATTITUDE

The spacious Manhattan apartment of Darcy Miller Nussbaum and her family gets a magical remake in the hands of architect David Mann
